

# Sharpe Decisions Inc. Newsletter

November - December 2004

## WINTER EDITION

The Year 2004 is almost over and it has been a very busy one.

We have released two upgrade versions of Sharpe Decisions Executive Workshop.

We have updated our Democracy Workshop voting software to make in-house elections fast and efficient.

We have further developed and improved Sharpe Decisions Web Survey software used on a rental contract basis.

We have extended our voting hardware choices to four different models:  
Fleetwood CRS 1200 Keypads & Receivers  
Fleetwood CRS EZ 1200 Keypads & Receivers  
Infra-Red 8 Key Keypads & Receivers  
Qwizdom Infra-Red Keypads & Receivers

We have become the Canadian Distributor for Qwizdom software and hardware, used in training and testing for Corporate and Educational use.

We have installed more new Executive Workshop systems in client sites than in any year to date.

We have worked in over 50 Conferences and Meetings on a Rental basis.

We have Exhibited and worked at 16 Association Conferences.

We have donated our time and services to Not For Profit organizations.

And.... we have added more staff to help us manage all of this!

**Sharpe Decisions Inc. wishes to thank all of our clients for their business and support.**

## TIP!

### **Did you know that:**

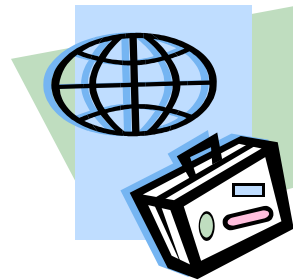

The new Statistics Window on the Rating Scale Histogram screen can be moved to your desired location by dragging and dropping it? It will stay in this position for the time you are in the Rating Scale Vote section of SDEW.

The Statistics Window shows: The Item Number, the Dimension Number, the Number of Voters, the Mean, Standard Deviation and Median.

## HOLIDAY SCHEDULE

Sharpe Decisions Inc. will be running with limited staff during the holiday season. If you need technical support however, it will be available as usual. We will have a contact telephone number on our phone system so that you can get your questions answered right away.

## YEAR END WISH

All the staff at Sharpe Decisions Inc. wish you a Happy New Year and a safe, peaceful holiday season.

We look forward to working with you in 2005!
